STIF FOUNDATION DAY

13 October 2010

(8:45am—4:15pm to be confirmed)

The aim of the foundation day is to equip participants with the basic knowledge, skill and attitudes of the effective management of sexually transmitted infections (STI's) outside the GUM setting.

STIF PLUS DAY

14 October 2010

(8:45am—4:15pm to be confirmed)

The aim of the STIF Plus day course is to cover additional topics such as syphilis, hepatitis, genital dermatology and clinical HIV.

The Plus day is also appropriate as a “refresher” for those who attended the original STIF course and who are looking to extend their skills and knowledge

With the introduction of the beneficial e-learning for Health Training, delegates will be invited to undertake several on-line units before they attend the STIF course. This will enable the Delegates to have knowledge and an understanding on Sexual Health Topics before they attend the course.
