LGBT DROP IN

Lancashire Lesbian, Gay, Bisexual and Transgender Centre is delighted to announce a new service for our LGBT community

1st Thursday of every month 6.30pm – 8.30pm
@ Disability Equality North West.
103 Church Street, Preston. PR1 3BS

Our service aims to provide a safe space where LGBT people can be themselves without fear of prejudice and can talk confidentially with someone about any matter - whether you are struggling with coming out to friends and family, problems at work or just looking to make new friends. Whatever the issue is we are here!

We can also signpost you to other agencies/services as well offering information about LGBT events and activities in the Lancashire area.

Why not pop in for a friendly chat?
